- Winter Season starts this Thursday.
- Weekly emails will begin on Monday.
- Hockey teams received their hockey jerseys and will receive their bags next week. There was an issue with the game day jerseys, but they are being taken care of.
- Creation of Double Header Nights. Cohasset will host both girls & boys basketball this winter. We will host girls & boys lacrosse this spring. We will switch locations seasonally.
- Motion made by Kristyn and seconded by Janet to pay half of the pizza (up to \$375) for the Old Oaken Bucket Hockey tournament this weekend.
- Facilities are working on hanging all banners. 1000 point banner is the last to be completed and hung. Banners are 100% complete up to September 1, 2019. We will need to figure out how often and when to hang each seasons banners.

## Fundraising/Events - Kim

- Golf Tournament is in good shape. Tournament is on May 21, 2020.
- Looking for some coach involvement/attendance. Discussion about teacher involvement, but is a little difficult since it is a school day.

## New Business

- Boys Hockey and Lacrosse have expressed interest in doing an alumni game.
- There was discussion on where the income from the homecoming football toss should go. This led to a discussion on fundraising efforts and where does that money go. This discussion will continue at future meetings.
- Helen suggested a Fan of the Week for each sport. We could assign one parent per team (aka liaison) to take photos and submit them to Laura for publicity or post on twitter. This could help in promoting school spirit and increase school merchandise purchases.

## Guest - Superintendent Matt Keegan

- Mr. Keegan spoke about the recruitment of a new high school principal. He has been attending school & parent meetings (PTO, School Committee, Boosters) asking for parent input and what qualities we are looking for in a new principal. Boosters had a great discussion.
- Timeline: December 19 will wrap up discussions, job posting on January 1, 2020 (open for 6 weeks) and then interviews and site visits.

## Next Meeting - January 14, 7 pm.
