AD Requests & Update

- Sean is asking for funding to cover the difference to pay for six Live Barn cameras around the school & fields. These cameras will provide a live feed for all games played at Norwell and free viewing of these home games. There will be an automatic download to huddle with a 24 hour time log. The total cost of the cameras is \$13,500. He has secured funding through other organizations, such as youth programs and NHS. NHS will cover the costs of installation and the yearly fees. Sean is asking Boosters for \$2400.
- Evan made the motion, Helen seconded, to pay \$2400 to cover the difference in costs for the six Live Barn like cameras. Motion approved unanimously.
- Sean is trying to create a live event for Spring Sports teams as well as a live event for the 130 senior athletes. Looking for Booster support and ideas and will keep us up to date.
