### AD Update - Sean

- Spring sports are up and running. Tournaments will happen. Masks are required for athletes and spectators for now that may change awaiting state mandates and MIAA decision.
- Hope to have a Homecoming date tomorrow. Next year's Homecoming football game will be hosted by Norwell.
- Combination in person Athletic Awards and Senior Awards Night on June 1.
- Trying to create something special for senior athletes who will be playing college sports but did not sign NLI.
- Huge shortage of bus drivers which is resulting in (day of) game cancellations. Games are starting late due to lack of buses.
- Trying to enter a league for girls ice hockey, but some leagues are saying they won't let us in unless all sports are part of that league. Patriot League is a possible option, but their towns are much larger than Norwell's which would put us at a disadvantage in some sports.
- Trying to actively recruit a volleyball coach for next year, would like to have him/her hired before end of school.

### Treasurer Report- Janet

- went over incoming & outgoing expenses.

### Fundraising

- Kristen West asked Kwol if he could make another template for the N's? It would really help get the N's painted.

- Golf Tournament.
  - Hole sponsorships are coming in.
  - Morgan Stanley will be a title sponsor.
