Fundraising

- **Golf Tournament.** Thank you to all who were involved with the Golf Tournament. All of the volunteers, participants, food, auction items and weather were great. Close to 12K was raised. The online auction had a few complications, but the vender figured out the glitches and all went smoothly. It's an easy system to set up and collect payment. Thank you Cara for all of your hard work managing the tournament. Cara also wanted to thank Chris Long, Kristen West, Judy Petraske, Mary Ellen Wall, Shannon Toland, Kim Zayotti and her staff including interns Jack Demong and Chloe Hohman
- **Driveway N Project.** Thank you Kristen for organizing and implementing the painting of the N's. Kristen had a few suggestions if we repeat this fundraiser for next year: increase the price, payment ahead of time (via Venmo) and get multiple teams to paint. It was more time consuming than originally thought. Thank you Greg Ross for helping out. \$1625 was raised with a net of \$1395.
- **Football Clinic.** The August football clinic will run similarly to last year's soccer clinic. It will be run by Mark Killinger and the captains. They are hoping to raise 3-4K. Booster's involvement will be collecting the money and marketing. Clinic details: August 2-5, 9-2pm. \$150/camper grades 3-9.
- **Soccer Clinic.** Sean is working with Cara to plan another successful soccer clinic.
- **CCC Snack Shack** - we will be up and running in the fall. Judy & Steve Petraske will manage concessions again. Concessions are our largest fundraiser, so this is great news. The Thanksgiving game will be home this fall which is also great news for concessions. Sean is hoping to get some larger cross country meets to be in Norwell as well.
- **Drive In Movie Series** - T Mobile will be hosting three drive-in movie nights in June. In addition to the admission donations, T-Mobile will make a \$500 donation to Boosters.
 - Thursday June 17 - Spiderman No Way Home
 - Friday June 18 - The Incredibles
 - Saturday June 19 - Grease

New Business

- Homecoming. Shannon will head up with the help of the moms of the football captains.
- Still looking for a volleyball coach for the fall.
- The baseball scoreboard is not working and has not in many years. Kim will bring up with Sean.
- Discussion on what to charge for dues next year. What is the family cap for sports fees? More discussion on dues will happen at the August meeting.
- The topic of replacing the tennis courts will be coming in the future. Weeds are growing through the cracks. It's already been resurfaced. The tennis courts are open to the public, but are on school property. The town approved CPC funds to purchase court backboards.
- The topic of athletic brand sponsorship or partnership was raised to help offset athletic costs. Will need to look into further.
- Shannon asked if Boosters would pay the \$400 fee for the Football Summer League that all football players are strongly encouraged to participate in. Kim will discuss with Sean.
- All Boosters meetings for next year have been posted. Meetings are always on the 2nd Tuesday of the month at 7pm. New members are encouraged to join.

Respectfully submitted,
Christine Josti, Secretary
